*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

Brand New Book ***** Print on Demand *****.Excerpt from Beyond the Stars Beyond The Stars The scientist with his telescope Unfolds night s wondrous vault, With farthest star he fain would cope, But on the brink must halt; For Infinite with boundless space The finite vision bars; But he who has the glass of faith Can see beyond the stars. If this great globe were made of gold And set with pearls from pole to pole, It still would be a price too small To barter for a soul; For clay in clay no poorer is Than that which splendor mars, Ignoble all but that which lives To dwell beyond the stars. Beyond the stars; - O wondrous thought! And, yet, how little do we think; We loiter oft by stagnant pools And of their filthy waters drink: Recoiling back to coward ranks, As if ashamed of battle scars, We fail to point lost wanderers To realms beyond the stars. By barren wastes and moss-grown rocks We fritter time away. Till winter at our temples knocks And hoary frosts decay. And yet a sea - a mighty sea - Is rolling at our feet. Whereon all who toil faithfully Beyond the stars shall meet. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
