Games Workshop. Paperback. Book Condition: new. BRAND NEW, Crusade's End: Horus Heresy Omnibus 1, Dan Abnett, Graham McNeill, Ben Counter, It was to be the dawn of a glorious new age. Following countless millennia of darkness and strife, the armies of the Emperor of Mankind had reconquered world after world in a Great Crusade, the like of which the galaxy had never seen. Having established themselves as the most powerful military force ever to march under a single banner, the Space Marine Legions were each led by a god-like primarch - those apparently immortal sons of the Emperor himself. Humanity seemed set to rule the stars once more. And then came Horus. The noble Warmaster, and reviled arch-traitor. For the first time in the New York Times bestselling series, this omnibus returns to the beginning of The Horus Heresy and shines new light on the events that preceded it. The novels Horus Rising, False Gods and Galaxy in Flames are presented alongside additional stories that set the stage for the unimaginable conflict still to come.
