Hachette Book Group, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 190 x 135 mm. Language: English . Brand New. It took ten seconds for Web London to lose everything: his friends, his team, his reputation. As the point man of the FBI's super-elite Hostage Rescue Team, Web roared into a blind alley toward a drug-dealer's lair, only to meet a high-tech, custom-designed ambush that killed everyone around him. Now coping with the blame-filled words of anguished widows and the suspicions of colleagues, Web tries to put his life back together with the help of his psychiatrist, Dr. Claire Daniels. But to do so, he must discover why he was the one man who lived through the ambush and find the only other person who came out of that alley alive, a ten-year-old boy who has since disappeared. Web's search leads him from inner-city Washington, DC, to the rolling hills of Virginia horse country, while people connected to him are violently silenced. Acting on his instincts, Web believes he knows where the killer will strike next. Only this time, he may not survive the attack. Last Man Standing is an explosive psychological thriller about a man desperate to find answers from the secret terrors he has kept from himself to his unbearable guilt. His fight to save himself and those he cares for will come at a high cost and threaten everything he has come to believe.
