Createspace, United States, 2011. Paperback. Book Condition: New. 249 x 175 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A young man full of hope and aspirations who travels to a new world. A technology whiz kid who comes to United States from Asia to study Computer Science and aspires to become a Silicon Valley Technologist. An old world romantic confused by the definition of love in the brave new world. A true story so imaginative and incredible that no fiction writer could have thought of it. It begins as a story of ambitions, aspirations and young love at the University of California in 1987. It unfolds in the fast moving world of Hi-Tech industry in Silicon Valley, San Francisco and Seattle. From the west coast we jump to Nashville for a brief detour to sample the software industry there. and finally, get back to Southern California, where we hold our breadth as our narrator survives the infamous wildfires. Technology. Art. Wit. Literature. Humor. Imagination. They all come together in this wonderful tale of man s journey though space, time, life and love. --  
----- The story begins in 1987 at University of California at Davis. Kalpanik has emigrated from Delhi, Asia to the United States. His first job is as a teaching assistant while he is working on his Masters Degree in Computer Engineering. This is also where he is first introduced to the American culture. He offers interesting and entertaining comparisons of life in Asia vs. life in the United States. In one of his examples he mentions how Asian women wear beautiful and colorful clothing and American women wear jeans. Ironically, the same evening after reading this book, I attended a party given by a family from where he is from. The discrepancy in clothing...
