## DK EYEWITNESS BOOKS: HURRICANE TORNADO (HARDBACK)

[DOWNLOAD](#)

DK Publishing (Dorling Kindersley), United States, 2014. Hardback. Book Condition: New. Reprint. 284 x 220 mm. Language: English . Brand New Book. *Eyewitness: Hurricane Tornado* is a compelling guide to nature's most dangerous and destructive forces. Striking images, models and illustrations offer a unique view of catastrophic weather conditions allowing readers to see into the eye of a cyclone, witness hailstones the size of tennis balls, and learn how a gentle mountain stream can become a raging surge within a few minutes. Learn the techniques developed through the centuries to forecast weather, see a chicken that was stripped of its feathers by a tornado, and how human activity can cause weather patterns to change. For over 25 years, DK's *Eyewitness* books have been the most trusted nonfiction series in classrooms, libraries, and homes around the world. In summer 2014 this award-winning series will get a fresh new look both inside and out. The introduction of paperback editions, eye-catching jackets, and updated interiors ensure that the *Eyewitness* series will continue to be relevant in the ever-changing world of education and remain the go-to source for homework help, research projects, reluctant readers, ESL students, and, as always, to satisfy the minds of curious kids. Supports the Common Core State Standards.
