Oxford University Press Inc. Hardback. Book Condition: new. BRAND NEW, What Everyone Needs to Know About Islam (2nd Revised edition), John L. Esposito, Since the terrorist attacks of September 11th, there has been an overwhelming demand for information about Islam, and recent events - the war in Iraq, terrorist attacks both failed and successful, debates throughout Europe over Islamic dress, and many others - have raised new questions in the minds of policymakers and the general public. This newly updated edition of What Everyone Needs to Know about Islam is the best single source for clearly presented, objective information about these new developments, and for answers to questions about the origin and traditions of Islam. Editor of The Oxford Encyclopedia of Modern Islam and The Oxford History of Islam, and author of The Future of Islam and many other acclaimed works, John L. Esposito is one of America's leading authorities on Islam. This brief and readable book remains the first place to look for up-to-date information on the faith, customs, and political beliefs of the more than one billion people who call themselves Muslims.
