## DEADLY DETAIL (PAPERBACK)

[DOWNLOAD](#)

Poisoned Pen Press, United States, 2008. Paperback. Book Condition: New. Large type edition. 221 x 150 mm. Language: English . Brand New Book. Alex Price, a bush pilot during the construction of the Trans-Alaska Pipeline, is looking forward to a pleasant evening with his old friend and former prospecting partner Stan, and Stan's lovely Athabascan wife Angie. But under his horrified gaze, Stan dies a violent death in the explosion of his vehicle. No fool, Alex perceives a possible threat to Angie. And he's right; assassins are moving right behind him. On the run, Alex and Angie share their grief and their fury, engaging in a deadly game of cat and mouse with no idea who is trying to kill them, or why. A retired pilot, Porter writes gracefully about flying in Alaska in his soaring debut, evoking its breathtaking beauty and the joy of traveling across the state in a small plane. The fast pacing and gorgeous scenery hook the reader from the beginning. -Publishers Weekly Don Porter has built mountaintop radio and TV repeaters in Alaska and earned a full complement of pilot's licenses. Then, trading snow for sunshine, he spent 10 years in Hawaii as Director of Maintenance for ABC. Deadly Detail is his first novel.
