These stories tell of dogs and cats living in the United States and abroad who have led remarkable lives. There are tales of the lost and found, of heroes, working dogs and cats and celebrities. Greyfriars Bobby and Hachiko show such enduring loyalty and devotion to their dead masters that their stories have become legends. Murka and other cats and dogs exhibit determination, endurance and an uncanny sense of direction to make the long trip home after months or years of being separated by hundreds of miles from their owners. Some stories will cause a chuckle, some a tear. All will inform and bring a renewed respect and admiration for the intelligence, ingenuity and sensitivity of these amazing little creatures.
