Feminist Press at The City University of New York, United States, 2016. Paperback. Book Condition: New. 248 x 235 mm. Language: English . Brand New Book. After finding herself institutionalized for refusing to live conventionally, a young dreamer wanders through a personal mythology of women warriors, tropical flowers, and sea creatures. A radically introspective and interpersonal take on the usual coming-of-age tale, Avie firmly establishes her authorial role and infuses ancient Greek lore, Renaissance scripts, and Hollywood blockbusters with images of afro-centricity and queer identity. Despite the continued popularity of adult coloring books, few actually incorporate adult literary themes into their pages. Not only is *Avie s Dreams* beautifully illustrated, it also tells a complex and challenging narrative of race, gender and sexuality, and body image. Interspersed with lyrics and quotes taken from contemporary Internet culture and modern poetry, the story investigates the trials and magic of a young black girl growing up in the world. Makeda Lewis is an artist living and making in Atlanta, GA. Her art has been positively reviewed by BET, Colorlines, Blavity, Madame Noire, The Reel Network, and Her Style Media. This is her first book.
