Frank M. Trexler, I casually stated that my father, Samuel Glace, erected the first mill and manufactured Natural Cement in the Lehigh Valley in 1826, when he stated that all books on the subject stated it was at Coplay in 1864, and that if I would write a sketch of the matter it would be an interesting contribution to local history. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
