Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Warning: The narrative contains some explicit content. Not intended for young readers or the easily offended. The Parliament of Twilight series is written with the intention of portraying real, raw characters and situations. There are elements of gore, horror, and generally disturbing imagery integrated into the stories.\* What do a TV ghost hunter, a fading Broadway icon, a CEO and his son, a bored assassin, and a whole host of other delightfully damaged and deranged characters have in common? The Parliament of Twilight binds them all from the shadows. The men of this deliciously Yaoi-inspired world fall in and out of love nearly as much as they fall in and out of danger. Steered from the shadows by the mysterious Parliament of Twilight, they must navigate nefarious plots, romantic entanglements, and mortal peril - everything from being attacked by monsters in the highlands of India to altercations with ex-lovers in liquor stores.
