Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It was a hard battle and it took time to sink in that it was finally behind us. The medical and surgical teams from the Neurology department at the University of Chicago must have been totally drained working in an unique environment once the go ahead was received for their high impact life-saving intervention. I was dying, poisoned by my legs that had spread their poison slowly but surely upwards before they were amputated, too late. To think, Grandpa J played Rugby for Scotland and thought it too dangerous a game so got me a motocross bike for my fourth birthday! This was fantastic. This was not just pushing the boundaries of science. This was stepping right into Science Fiction: This was Science Fiction going mainstream. I eye-typed my first ever question from inside my new world to be read-and-heard by the outside real world: How are you? It has taken me 27 years to fully transit from the physical world to an all embracing virtual one but still one where I could look back...
