Brand New Book ***** Print on Demand *****.In this stunning narrative author Don Rohrer shows that the explosive geo-political drama of the JFK killing was actually written into the future pages of history by the prophets, and some 2,000 years ago in the Revelation. With historical, political, and prophetic insight the author has drawn from the JFK story the greatest revelation of all, and shown what it means to us today. This story is told as a movie in real time, yet stretches back to the lonely island of Patmos some 2,000 years ago where the prophet John saw the future opened in the visions he received in the Revelation. An individual or nation enters bible prophecy when their entrance upon the world's scene affects not just the people of God, but every people, nation, tongue, and king. JFK's entrance on the world's stage at the head of free nations in 1961 shook the powers of darkness worldwide. He had a very different vision for America and indeed the world, one he called God's work. In sum it was an announcement of the Kingdom Of God, an announcement that roused the...
