## Descriptive Catalogue of Greek Coins (Classic Reprint) (Paperback)

---

By C S Bement

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Descriptive Catalogue of Greek Coins Soon after the manuscript, of this catalogue had reached the printer s hands Mr. Clarence S. Bement, the owner of the coins here described, became very ill and now for many months has been unable to carry further whatever plans he may have had for the development of his already splendid collection of antique coins. This interruption is most unfortunate, considering his achievements in other fields, for Mr. Bement has long been prominent in a small group of Americans who find relaxation from their occupations in the pursuit of some branch of art or science and devote no inconsiderable amount of time, money, and industry to the collection of material illustrative of the subjects that claim their interest. Their enthusiasm and their collections have done much to develop our libraries, museums, art galleries, and other agents of public education. Mr. Bement s interest in books and prints resulted in the formation of one of the noted private libraries of the country. This library was disposed of several years ago, some...
