Filesize: 3.16 MB

### Reviews

*This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Hodder Stoughton General Division, United Kingdom, 2002. Paperback. Book Condition: New. 172 x 112 mm. Language: N/A. Brand New Book. Lyndle Hall is a medieval manor house lying in the heart of Northumbria's national park. It is from here that an eighteen-year-old girl disappears - along with Lyndle's owner, Francis Herrol. First assumptions are that the two ran off together, but evidence indicates otherwise, and when Detective Inspector Tate arrives at Lyndle to investigate and meets Nicholas Herrol, a tormented young man, his fears for the girl's fate deepen. Parapsychologist Audrah Sidow is convinced there is nothing on this earth for which there is not a rational explanation. But she knows that there is more to the collection of fractured people gathered at Lyndle than is apparent, and as the police hunt for a dead body grows increasingly urgent, she must discover what lies at Lyndle Hall's dark heart.
