Samhain Publishing. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.4in. x 5.4in. x 0.8in. Hell protect her with every vicious bone in his body. During her ten years at the prestigious Waywroth Academy, Sera Miller clung to a strict code of propriety to shield herself from rumors that she isn't an orphan at all. She's a bastard. Now she wishes she had never allowed her friends to talk her into snooping into the mysterious source of her tuition. Her benefactor isn't the unknown father she dreamed of one day meeting, but Fletcher Thomas, underworld tycoon, gambling den owner, and a man so dangerously mesmerizing that he could spark the scandal Sera has worked so hard to avoid. Fletcher is only two steps away from leaving the life of crime he inherited from his father. First he plans to join an aboveboard railroad consortium, then claim the one thing his ill-gotten gains have kept safe all these years: Sera. With every wicked caress, Sera fights harder to remember society's rules and reject the painful memories his touch resurrects. Accepting Fletcher's love means accepting her past risk too great for a woman who has always lived in the shadows. No matter how safe she feels in his arms. Warning: This book contains a do-gooder heroine, an accidentally charming hero with tendencies toward caveman-itis, inappropriate household decor and fabulous sex against a wall. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
