WORLD CUP DREAMS: EXTRA TIME EDITION (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.World Cup Dreams is a challenge that author Chris Harvey set himself during the FIFA World Cup of Brazil in 2014. To bring together his love of writing and football he decided to write a short story or poem of between 300 and 500 words every day of the World Cup. The challenge was successfully completed and this book contains all thirty two short stories along with details of results for each day of the World Cup. The stories look at football from many different perspectives such as fans who love the game, those that hate it, managers, players and referees. It is a fun and insightful look at football from the angle of a fan, a fan who is trying to understand the beautiful game from other peoples points of view. The Extra Time Edition contains six exclusive short stories written after the World Cup.
