### ***Reviews***

*An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

At the point where the illusion becomes too expensive to maintain, they will just take down the scenery, they will move the tables and chairs out of the way, then they will pull back the curtains and you will see the brick wall at the back of the theatre.' (Frank Zappa) 1 Frank Zappa used this phrase to show the capitalistic policy in America and its successful way in spreading out its mass culture all over the world.What is it, that fascinates so much that one wants to live the American way/dream Wear the same things like Americans BE like Americans That is the question that I am interested in and which I want to solve in my skilled work. I have been to the USA a few times and I have seen myself going through the process of being manipulated in a kind of way that convinced me of an America as a place seemingly with no boundaries where everything seems to be possible. Therefore I want to look behind the scenes of the idealisation of this country and show how it has changed during the last few decades. I will point out the development of Americanisation...
