The Worm at the Core: On the Role of Death in Life

By Sheldon Solomon, Jeff Greenberg, Tom Pyszczynski

Penguin Books Ltd. Hardback. Book Condition: new. BRAND NEW, The Worm at the Core: On the Role of Death in Life, Sheldon Solomon, Jeff Greenberg, Tom Pyszczynski, It guides our thoughts and actions, from the great art we create to the devastating wars we wage. It's the real reason why we buy expensive cars and crave fame. It drives us to put our health at risk and to disguise our animal nature. Think you're not constantly thinking about death? This book shows it's at the heart of life. Psychologists Sheldon Solomon, Jeff Greenberg, and Tom Pyszczynski have spent twenty-five years researching the many ways that fear of death - and our desire to transcend it - guides our behaviour. This book is the culmination of their ground-breaking work which proves that fear of death is the hidden motive behind almost everything we do. It shows how human culture keeps our fear of death at bay by infusing our lives with order, stability, significance and purpose, allowing us to function moment to moment without becoming overwhelmed by the knowledge of our ultimate fate. It provides surprising evidence of what happens when that fear breaks through: when reminded of their own death,...
