The Art of Leading Worship: Instructor's Guide: The Essentials of Sincere Extraordinary Worship (Paperback)

By Michael Young

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. Worship has always been at the center of God's heart. Ironically if you turn to the center of your bible you will see the book of Psalms. These are songs written over 3,000 years ago, which are still sung to this day. The styles of the music accompanying them have changed dramatically over the years but the underlying constant throughout the ages is the intent of the musician to bring a proficient, heart-felt offering through his musicianship. But how does one accomplish such an undertaking? The answers lay just ahead in the chapters that follow. This comprehensive instructor's guide, which parallels the popular book The Art to Leading Worship, is a practical teacher's manual which helps teach students, worship leaders, and musicians, in the applications necessary in attaining the goal of reaching a state of excellence in one's music and its presentation to a congregation. Pastors and conference leaders all over the world can utilize this in-depth instructional manual, making it available to attendees, in a way that some others have yet to fully attain....
